Dear Sir:

of Correction**

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

In the Specification:

At page 6, line 7, Applicant error, "an configuration" should be -- a configuration --.

The error was found in the application as filed by applicant. Our check in the amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a) is enclosed.

The error now sought to be corrected is an inadvertent typographical error the correction of which does not involve new matter or require reexamination.
